*If you have any questions on the proper disposal of these items, recycling, or regular pick up, please contact **Waste Check (902) 742-1312** or toll free at **1-800-569-0039**.*

Please ensure that clean-up waste is placed on property lines at the edge of the public roadway no later than 7:00 am on the day of the collection. As per By-Law S-088-02 "**materials for roadside collection shall be set out no earlier than seven (7) days prior to the special collection.**"

Property owners may choose to drop off separated waste at the transfer station located on the Hardscratch Road (limit of 200 kg/week) but must limit quantities per household, as indicated above, and placed in clear bags.

**Before setting an item at curbside, consider REUSE options. A local service agency, your church group, or the second hand store, may provide a new home for an item you no longer want.**
